

## Integrity Health & Safety

Integrity Health & Safety is a Supply Nation certified Indigenous-owned supplier of workplace health and safety products and services including first aid kits/training, defibrillators, environmentally friendly cleaning products, flu vaccinations, and COVID-19 protection supplies.

Integrity Health & Safety is run by Liam Harte and Brad Goodwin, two Indigenous intensive care paramedics who both served in the Australian Defence Force, and who are passionate about improving outcomes for Indigenous people through employment, education and health. They are both board members of Local Health Districts in NSW as appointees of the NSW Minister of Health.

Integrity Health & Safety has a Social Impact Commitment whereby the business funds Aboriginal nurses for first aid, CPR, flu vaccination and leadership courses to help build Indigenous healthcare capability in their communities and farther afield - [read their stories here](#). See our [Capability Statement](#).

Our range of products and services include:

- **Defibrillators:** Integrity Health & Safety is one of Australia's leading suppliers of defibrillators and we have the highest levels of Partnership with the leading defibrillator manufacturers.
- **COVID-19 supplies:** masks, thermometers, sanitisers.
- **First Aid Kits:** a range of kits for vehicles and the workplace
- **First Aid Training:** our trainers include practicing paramedics and nurses with real life experience who are committed to delivering engaging programs, tailored to our clients' needs.
- **Environmentally friendly** enzyme-based cleaning products that do no harm to people, animals, or the environment.
- **WH&S products:** signage, PPE and more....
- **Flu vaccinations:** both on-site and off-site with the use of vouchers.
